Ninth grade, freshman year, or grade 9 is the ninth post-kindergarten year of school education in some school systems. Ninth grade is often the first school year of high school in the United States, or the last year of middle/junior high school. In some countries Grade 9 is the second year of high school. Students are usually 14–15 years old.

In New York State, Regents Examinations are statewide standardized examinations in core high school subjects required for a certain Regents Diploma to graduate. To graduate, students are required to have earned appropriate credits in a number of specific subjects by passing year-long or half-year courses, after which they must pass at least five Regents examinations in some of the subject areas.
