

### **mental models investing and pdf**

Charlie Munger refers to a "latticework of about 100 mental models" that he and Warren Buffett credit for their successful investing. Munger points out that if you don't master the "multidisciplinary" approach of such "mental constructs", you will remain in the "middle ranks" or "shallows" in life.

Scientific modelling is a scientific activity, the aim of which is to make a particular part or feature of the world easier to understand, define, quantify, visualize, or simulate by referencing it to existing and usually commonly accepted knowledge. It requires selecting and identifying relevant aspects of a situation in the real world and then using different types of models for different ...
