Millennials were left to their own devices and Mary Donohue believes it was events like 9/11 that taught millennials how to use the Internet. Instead of confiding in their one best friend, millennials went to the Internet and confided in many groups of people that may or may not geographically live near them (Donohue, 2012).

Millennials Misunderstood Millennials are found to be lazy and narcissistic. They expect everything to be handed down to them as if they are entitled to it. Older generations picture us sitting on a couch with our feet up in the air, staring like a zombie into our screens on our phones, while taking selfies every five minutes, demanding our boss to give us a raise.
