

mountain navigation for runners pdf

Fell running, also sometimes known as hill running is the sport of running and racing, off road, over upland country where the gradient climbed is a significant component of the difficulty. The name arises from the origins of the English sport on the fells of northern Britain, especially those in the Lake District. It has elements of trail running, cross country and mountain running, but is ...

Happy New Year! I had hoped to get my first edition of The Carnethy out before the end of 2018, however family visiting from Canada and general holiday relaxation took precedence. But as they say, better late than never. I hope you enjoy this edition. If for some reason you don't, let me know by email on journal [at] carnethy [dot] com. Positive feedback is also welcome.

Topo Maps+ (IOS only) is a mobile navigation app that lets you print maps and routes to wireless printers without having to go through a computer or an internet portal to print them. Many people have stopped buying

computers only have mobile phones, so this is a great feature to include in a mobile navigation app.
