The Native American name controversy is an ongoing discussion about the changing terminology used by indigenous peoples of the Americas to describe themselves, as well as how they prefer to be referred to by others. Preferred terms vary primarily by region and age. As indigenous people and communities are diverse, there is no consensus on naming, aside from the fact that most people prefer to ...

Native American name controversy - Wikipedia

Native Americans, also known as American Indians, Indigenous Americans and other terms, are the indigenous peoples of the United States, except Hawaii. There are over 500 federally recognized tribes within the US, about half of which are associated with Indian reservations. The term "American Indian" excludes Native Hawaiians and some Alaska Natives, while Native Americans (as defined by the US ...
