The history of health care reform in the United States has spanned many years with health care reform having been the subject of political debate since the early part of the 20th century. Recent reforms remain an active political issue. Alternative reform proposals were offered by both of the major candidates in the 2008 and 2016 presidential elections

Agritourism or agrotourism, as it is defined most broadly, involves any agriculturally based operation or activity that brings visitors to a farm or ranch. Agritourism has different definitions in different parts of the world, and sometimes refers specifically to farm stays, as in Italy. Elsewhere, agritourism includes a wide variety of activities, including buying produce direct from a farm ...
