The appearance of The New Game of Human Life on 14 July 1790 was a significant milestone in the history of British leisure. Its London publishers, John Wallis and Elizabeth Newbery, appealingly packaged the table-game for a flourishing children's market and for middle-class consumers invested in stories of individual development and social mobility.

Conflicts and Tensions Between Soft and Hard Models of Human Resource Management. The soft-hard dichotomy in HRM exists primarily within normative, or prescriptive, models of human resource management, rather than in what Legge (1995 b) terms the descriptive-functional or critical-evaluative traditions. The earliest examples where this terminology is used are in the work of Guest and Storey ...
