A laugh track (or laughter track) is a separate soundtrack for a recorded comedy show containing the sound of audience laughter. In some productions, the laughter is a live audience response instead; in the United States, where it is most commonly used, the term usually implies artificial laughter (canned laughter or fake laughter) made to be inserted into the show.

Laugh track - Wikipedia

Laughter is a physical reaction in humans consisting typically of rhythmical, often audible contractions of the diaphragm and other parts of the respiratory system. It is a response to certain external or internal stimuli. Laughter can arise from such activities as being tickled, or from humorous stories or thoughts. Most commonly, it is considered a visual expression of a number of positive ...

Drama in Eastern cultures. Because of its inborn conservatism, the dramatic literature of the East does not

show such diversity, despite its variety of cultures and subcultures. The major features of Asian drama may be seen in the three great classical sources of India, China, and Japan.
