BookGorilla: Books by Jo Walton

Startling, unusual, and yet irresistibly readable, Among Others is at once the compelling story of a young woman struggling to escape a troubled childhood, a brilliant diary of first encounters with the great novels of modern fantasy and SF, and a spellbinding tale of escape from ancient enchantment. Raised by a half mad mother who dabbled in magic, Morwenna Phelps found reStartling, unusual ...

Among Others by Jo Walton â€“ review | Books | The Guardian

Among Others is a fantasy novel centered on fifteen-year-old Welsh girl Morwenna. Morwenna is very different from other girls. She is quirky, precocious, rebellious and intelligent. She has a nearly unhealthy love for science fiction novels. Among her many quirks is the ability to communicate with fairies and the ability to cast magical spells.

Among Others Summary & Study Guide - BookRags.com

Jo Walton has written what is essentially an Anthony Trollope novel populated with dragons! This is really great. Highly recommended. My daughter told me I would love this book, and she was right, although she described it as Jane Austen with dragons, her familiarity with nineteenth century English novels is limited.

A very unique fantasy novel by Jo Walton "a winner of the John W. Campbell Award for Best New Writer and the World Fantasy award. From the introduction by Sharyn November: "Lifelode is what one might call domestic fantasy, set in a quiet farming community" but it's also about politics, God and religion, sexual mores, the make-up of a family, and how people change over time.

review 1: I would not have given the Hugo to this novel but it is an enjoyable read. In a way it is a gigantic fan service as the book is about the diary of a 15 year old welsh girl that reads a ton of fantasy and science fiction. There are some fantasy elements but they are very light.

DOWNLOAD | READ Among Others (2011) by Jo Walton in PDF

Walton did a really excellent job of building up all the tension and all the little threats from the first two books into something really extraordinary. The only thing I could have asked for was a bit more substance to the ending. It felt rushed, but I was extremely pleased with the manner in which it was resolved. ...

Tooth and Claw, by Jo Walton. As the dust jacket says, this is a novel that is based on the Victorian novels of Anthony Trollope. Walton takes the Victorian setting, and gives it huge twist: all of the characters are dragons. Yes, that's right. Fire-breathing (though not all of them do) lizards that can fly (though not all of them can).
