The eCommerce SEO community is ignoring a huge opportunity by focusing almost exclusively on Google. Amazon has roughly three times more search volume for products, and this post tells you all about how to rank.

How to Rank Well in Amazon, the US's Largest Product

Well, a lot of that depends on your personal strengths and weaknesses. One general piece of advice I can give is this: Remember that the structure of your response "in terms of organization, details, supporting ideas, and so on" is as important as more general aspects of English speech such as pronunciation, intonation, and grammar.
